

COMPETITION FOR ERASMUS+ MOBILITY European Countries | Academic Year 2026/2027

Dear Students!

EKA University of Applied Sciences announces the opening of the Erasmus+ Student Exchange Programme competition for studies and traineeships in the Spring Semester 2027.

Expand your horizons at top partner universities across Europe aligned with your field of study.

Key Benefits:

- Tuition-Free Studies at the host university.
- Erasmus+ Scholarship provided for all participants.
- Multiple Mobility Support: Participate multiple times (up to 12 months total per study level).

DEADLINE TO APPLY: OCTOBER 15, 2026

HOW TO APPLY

1. Complete the Application Form: Fill out the [Online Erasmus+ Form](#) carefully.
Note: We will use the data directly from this document.
2. Attach Your Motivation Letter: Submit your letter along with the form.

ELIGIBILITY & REQUIREMENTS

- Academic Performance: Minimum average grade of 7.0.
- Good Standing: Must have no academic or financial debts.

SELECTION PROCESS

The selection process is managed by the Erasmus+ Coordinator and your Programme Director. Qualified candidates will be invited for an Interview to discuss their motivation, goals, and mobility plans.

Interview Preparation Guide

Study Mobility	Traineeship Mobility
• Review EKA partner institutions and course offerings. • Prepare a course comparison approved (!) by your Programme Director. • Be ready to explain your choice of university and courses.	• Be prepared to present your motivation and career goals. • <i>Advantage:</i> Attach a preliminary acceptance letter from your host organisation.

After the interviews, final candidates will receive a preliminary confirmation from the Erasmus+ Coordinator.

Don't miss your chance — Good luck!
