

HOW TO ACCESS THE RESEARCH INCUBATOR

Step-by-step registration and enrolment guide

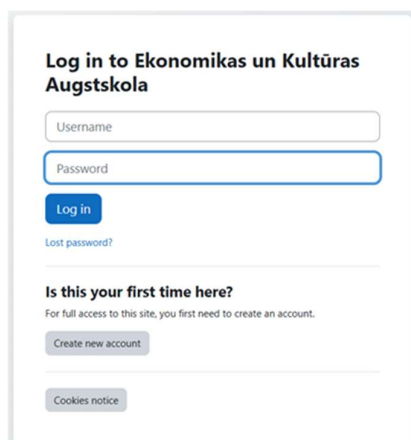

Before you begin

Participation is free. You will need a valid email address to create an EKA Moodle account and confirm your registration.

EKA Moodle: <https://www.augstskola.lv/moodle7/>

Step 1. Open EKA Moodle

Go to the EKA Moodle platform. Select “Log in” in the upper-right corner of the screen. On the log-in page, select “Create new account.”

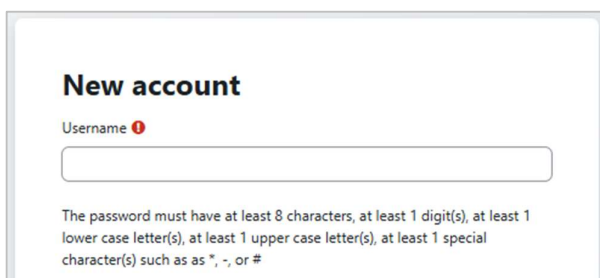

Select “Create new account” if this is your first visit.

Step 2. Complete the registration form

Complete all required fields: username, password, email address, first name and last name. You may also provide your city and country.

Username and password requirements

Use only lowercase letters for the username. The password must contain at least 8 characters, including at least one digit, one lowercase letter, one uppercase letter and one special character such as *, - or #.

After completing the form, select “Create my new account.”

Step 3. Confirm your account

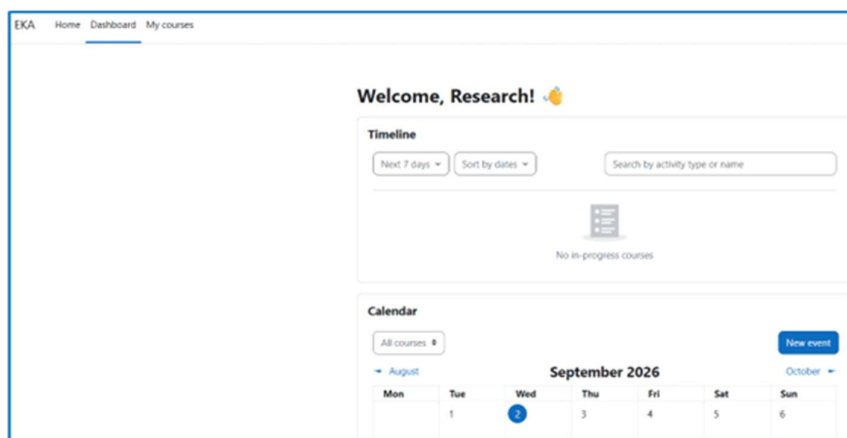

A confirmation message will be sent to the email address provided during registration. Open the message and select the confirmation link.

Email confirmation

After confirming your account, the message “Your registration has been confirmed” will appear. Select “Continue”. If the email does not arrive, check your Spam or Junk folder.

Step 4. Open the EKA Moodle dashboard

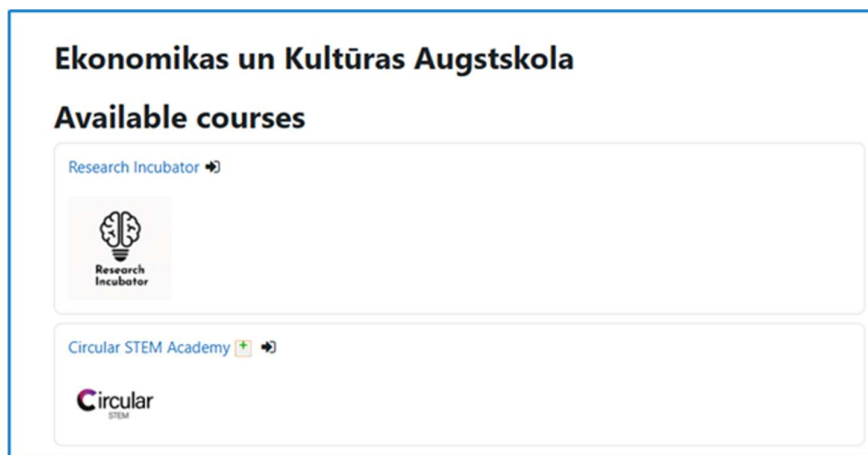

After confirming your registration, you will be taken to the EKA Moodle dashboard.

Your EKA Moodle dashboard appears after account confirmation.

Step 5. Find the Research Incubator

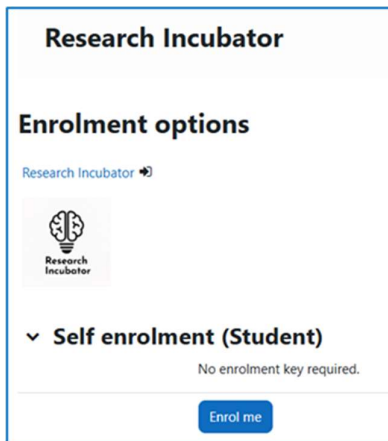

Select “Home” in the upper-left corner. Under “Available courses”, find and open “Research Incubator.”

Select “Research Incubator” from the list of available courses.

Step 6. Enrol in the e-course

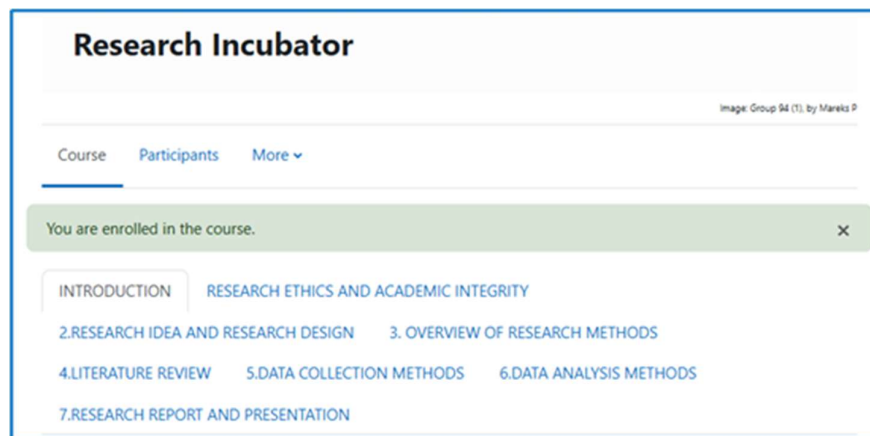

On the Research Incubator enrolment page, select “Enrol me”. No enrolment key is required.

Select “Enrol me” to join the course.

Step 7. Start learning

When the message “You are enrolled in the course” appears, registration and enrolment are complete. You can now begin learning.

Successful enrolment gives you access to all Research Incubator sections.
