

## HOW WE CAN HELP

Study in Britain for one year and obtain an honours bachelor's degree and it could change your life—and career prospects! British degrees are recognised all over the world as having 'value.' so it might just help you to obtain that dream job you have always wanted.....

We work with nine state universities, one private university and several private colleges

Over one hundred courses offered

A loan to pay your fees is available for students studying at British universities and HE colleges

We will help you:

choose the most appropriate university and course

complete the application form

apply for the fee loan and any available bursaries or scholarships,

maintain contact with the university on your behalf,

assist with accommodation and travel arrangements

Most students have part-time jobs to earn extra living money or to build savings. Current minimum wage: £6.70 per hour

We will help you with every aspect of the application process. We make it easy for you to apply to study in Britain.

We promise to reply to your Emails and enquiries within 24 hours.

All our services are free....and we are always here to help
