

Competition for Erasmus+ mobility between European countries 2022/2023

Dear Students!

EKA University of Applied Sciences opens a competition for Erasmus+ student exchange programme for studies and traineeships in Spring Semester 2023. Students can apply to become exchange students at the partner universities of their study fields in Europe. It is possible to participate in the Erasmus+ programme several times provided that participation in the programme does not exceed 12 months in one study level. In addition to the tuition fee-free place at the host university participants will be granted with scholarship.
